6/1/2016

**Applying for Master Degree (M.Sc.)**

## **Programs Offered by Barkhat Institute:**

Barkhat Institute started its educational program by admitting students in a M.Sc. in program of Information Technology Engineering with major in Computer Networks in Fall 1394 and continues with the new E-commerce field. Therefore students are accepted for two major. We may establish few more majors under the process of granting permission.

Tuition is based on the rules and regulations of the Ministry of Science, Research and Technology (inexpensive tuition).

---

## **Benefits of Study in Barkhat Institute of Higher Education:**

- Compilation and instruction of course contents by professors from credible universities of Iran.
- Courses offered through multimedia environments (audio, video, text, animation, etc.).
- Access to course contents 24/7.
- Elimination of transportation and housing costs, etc.

---

## **Barkhat is a Member of:**

### **International Council for Open and Distance Education (ICDE)**

The International Council for open and Distance Education (ICDE) is the leading global membership organization for open distance, flexible and online education, including e-learning and draws its membership from institutions, educational authorities, commercial actors and individuals. This may help our students for continuing their education internationally on future.
